Eliminate unnecessary paper records with the LabVantage Electronic Laboratory Notebook (ELN) and Laboratory Execution System (LES). Capture, organize, manage and collaborate experiments and test execution workflows across your organization with ease. With features designed to increase productivity while reducing errors, you can replace your paper lab notebooks and paper method worksheets with confidence. The LabVantage ELN and LES are fully embedded in LabVantage to provide a comprehensive and integrated lab automation solution.

**Powerful Benefits**

- ELN and LES are embedded into LabVantage maintaining a consistent look and feel
- No need to manage multiple vendor solutions or expensive and complex interfaces to LIMS
- Leverages LabVantage instrument data capture features
- Highly responsive, web browser-based user interface means no client-side installation, validation or maintenance
- Fully HTML 5 compliant means broad browser support (IE, Edge, Chrome, Safari), including tablets
Why LabVantage ELN?

- Provides a powerful electronic replacement for paper lab notebooks
- Accommodates structured and unstructured data
- Flexible, on-demand creation of notebook pages
- Fully searchable content
- Provides ability to define teams that can work collaboratively and share research information
- Publish notebooks in PDF and Word formats
- Seamlessly leverage LIMS features from within notebook pages

Why LabVantage LES?

- Provides automatically created, data driven test method worksheets for method execution
- Define, document and enforce method work steps
- Fully document execution of worksheets
- Simple setup and maintenance of worksheet templates

About LabVantage

LabVantage Solutions, Inc., the leading global laboratory informatics provider, is headquartered in Somerset, NJ and has offices around the world. LabVantage’s industry-leading solutions and world-class services are the result of 35+ years of experience in laboratory informatics.

LabVantage offers a comprehensive portfolio of products and services that enable companies to innovate faster in the R&D cycle, run labs more efficiently, improve manufactured product quality, achieve accurate recordkeeping and comply with regulatory requirements. LabVantage serves thousands of labs across the globe from industries such as pharmaceutical, biotech, food & beverage, chemicals, CPG and more.
