

LabVantage Express

Run your lab more efficiently by using LabVantage Express to manage your samples and lab workflow.

LabVantage Express offers a pre-configured, cost-effective LIMS solution for Quality Control and Analytical Testing Labs.

Is LabVantage Express Right for You?

Are you slowed down by your current paper or Excel-based systems?

LabVantage Express increases laboratory efficiency, increases overall quality, and enables compliance.

Are you looking to implement a system rapidly?

LabVantage Express allows for faster implementation with little configuration setup.

Do you run a quality control or analytical testing lab?

LabVantage Express is then ideal for you as it comes complete with standard workflows and functionality.

Are you looking for standardized reports and dashboards?

Standardized reports and dashboards are an integral part of LabVantage Express and allow for easy report generation and query visualization.

Are you looking for an out-of-box solution with standard functionality for your lab?

LabVantage Express comes pre-configured with standard laboratory processes making it easy to use.

Are you looking to reduce manual data entry?

With LabVantage Express, instruments can feed results directly to the LIMS for increased efficiency and accuracy.

All the Capabilities You Need for Your Lab
